Lash Lift & Lash Tint Agreement Form

Consent Form

I hereby authorize Urban Glo Blow Dry Bar, LLC.

I understand there are risks associated with having an eyelash perm and/or eyelash tint. I further understand that as part of the procedure, eye irritation, eye pain, eye itching, discomfort, and in rare cases eye infection or blurriness could occur. I agree that if I experience any of these medical conditions with my lashes that I will contact and consult a physician at my own expense.

I understand that even though my technician perms the lashes using the proper technique, the instruments, tapes, cleaners, eye gel pads, adhesives, and removers used may irritate my eyes or require a physician's follow-up care.

I understand and consent to having my eyes closed and covered for the duration of the 45-60-minute procedure.

I understand that if at any time I (or the technician) are uncomfortable with the Lash Lift and/or Lash Tint treatment, I will inform the technician and she will gladly end the session, however, this may forfeit any funds paid for services.

I am informing my technician of the following conditions by marking with a check:

- Current use of contact lenses which I agree to remove during application
- Current use of anything such as oil-containing sunscreen or moisturizers around the eyes
- Current use of eye drops of any kind, prescription or over-the-counter
- History of recurrent eye or tear duct infections
- History of dry eyes or Sjorgen's Syndrome
- Recent history of Chemotherapy
- Other medical conditions which would prohibit or compromise the process and retention of this eyelash lift and/or eyelash tint

Follow Up & Post Procedure Maintenance

I understand there are no guarantees, warranties, promises, commitments or refunds for length of time the lashes will stay permed. I understand that there are many factors that may affect the life of the eyelash lift.

I understand and agree to the care instructions provided by my technician for the use and care of my permed and/or tinted eyelashes. I realize and accept the consequences of failure to adhere to these instructions may cause the eyelashes to not stay permed as long as told.

I agree to the following eyelash lift and/or tint post procedure maintenance instructions:

No water can come in contact with the eye area for 24 hours after the application

No makeup and/or mascara should be applied to treated eye area for 24 hours after the application.

Avoid the use of oil based products such as serums, eye creams, moisturizers, sunscreens, etc. around the eye to ensure longevity of lift and/or tint. Be gentle when removing makeup in the eye area. (Other products that do not contain oil are fine).
